- ✓ Background in geographic information systems and cartography. Extensive research, cartographic design, and analytical experience working with a broad range of software on multiple platforms.

**SYSTEMS EXPERTISE:** *Microsoft SharePoint, Office 365, Microsoft SQL Server, ArcGIS Online, ArcGIS Server, ArcGIS Desktop, ArcGIS Pro, AutoCAD, ENVI, ERDAS Imagine, ESRI PLTS for Defense Solutions, Feature Analyst, Idrisi*

### CORE COMPETENCIES

GPS/GIS Software  
Survey/Cartographic  
Remote Sensing  
Monitoring  
Spatial Analysis  
Team Leadership  
Advance GIS Applications

Physical Geography  
Workflow Methods  
Statistical Geography  
Development/Implementation  
Orthophotography  
Quality Control  
Structure Query Language

Database Management  
Project Management  
Digital Mapping  
Land-Use Optimization  
Programming/Design Skills  
People Management  
Analysis Application

## RELEVANT EXPERIENCE

### **TAP GIS Services, LLC.** -*GIS Consultant-05/2023*

- ✓ Consult clients to ascertain project purpose, needs and information required for software integration with emergency services dispatching programs.
- ✓ Assist clients with ESRI Enterprise software systems upgrades.
- ✓ Assist clients with field mapping of GIS assets.

### **RA Consultants, LLC, Cincinnati, Ohio**-*GIS Manager/GIS Specialist-06/2013 to 05/2023*

- ✓ Supervise a team including programmers, cartographers, analysts, and support specialists.
- ✓ Consult clients to determine project purpose, needs and information required for negotiating contracts.
- ✓ Responsible for maintaining corporate computer systems and managing budgets and project costs.
- ✓ Analyst for storm, waste, and municipal lines, by investigating, diagnosing and solving computer software and hardware faults and by planning and undertaking scheduled maintenance upgrades.
- ✓ Install and configure computer hardware, software, systems, networks, printers, and scanners.
- ✓ Spatially analyzed data, generated GIS-based maps and performed mapping requests using historical and environmental information.

### **GIS Dynamics, Loveland, Ohio**-*Vice President of Operations-04/2006 to 06/2013*

- ✓ Plan, organize, direct, and control the activities of the operations function of GIS Dynamics.
- ✓ Onsite coordinator for the United Nations, MONUC, in the Democratic Republic of Congo for development, implementation and training of TLM50 mapping procedures using ESRI PLTS for Defense Solutions software.
- ✓ Project manager for municipal separate stormwater sewer system (MS4) update for Dayton, Ohio.
- ✓ Project manager for GIS sewer network startup for Central Falls, Rhode Island.

## EDUCATION

**Ohio University, Athens, Ohio**-*Master of Arts Geography*

**Ohio University, Athens, Ohio**-*Bachelor of Science Geography*

**Professional Membership:** American Association of Geographers, GIS Certification Institute
